

REMARKS/ARGUMENTS

Claims 1-21 are currently pending. Claims 6 and 11-14 are amended herein. Applicant thanks the Examiner for indicating that claims 1-10 and 16-21 are allowed. Applicant further thanks the Examiner for pointing out the typographical errors in claims 6 and 11. Applicant's amendments having rendered moot the objections and rejections contained in the Office Action, Applicant respectfully requests that the Examiner withdraw the rejections and objections.

CONCLUSION

Having responded to all objections and rejections set forth in the outstanding Office Action, it is submitted that the currently pending claims are in condition for allowance and Notice to that effect is respectfully solicited. Additional characteristics or arguments may exist that distinguish the claims over the prior art cited by the Examiner, and Applicants respectfully preserve their right to present these in the future, should they be necessary. In the event that the Examiner is of the opinion that a brief telephone or personal interview will facilitate allowance of one or more of the above claims, he is courteously requested to contact applicant's undersigned representative.
